

MoistAir™ Humidifying Products

The MoistAir™ Humidifying Chamber provides humidified air to the eye during fluid air exchange. This patent pending technology was developed by Dr. Eugene de Juan, Jr. and the MADLAB of Johns Hopkins University.

The Humidifying Chamber is available in 3 product configurations for your convenience and ease of use.

- 200.10 The MoistAir Humidifying Chamber (Box of 10)**
A stand-alone humidifying chamber which will insert into any standard air line.
- 200.30 The MoistAir Humidifying Air Line (Box of 6)**
A standard air line with humidifying chamber for connection to any standard infusion line.
- 200.40 The MoistAir Fluid Air Tubing Set (Box of 10)**
A complete fluid air tubing set with humidifying chamber.
